## *Welcome to Waroona District High School.*

I would like to extend a very warm welcome. As you browse our school handbook, I trust that you find it informative and helpful. I also hope that it captures the character and uniqueness of Waroona District High School, a small yet distinctive school environment that places the needs of our students at the centre of all that we do.

At Waroona District High School, we pride ourselves on our unique and supportive learning environment. As a District High School we are in the unique position of being able to offer students an educational journey that commences in Kindergarten and continues in the same school until the end of Year 10. Consequently, our school is highly supportive and safe for students who are able to form quality relationships with staff and their peers over their K-10 educational journey.

The size and nature of Waroona District High School provides the ideal environment for students to learn in a caring environment. We are fortunate to be able to offer small class sizes, experienced and dedicated teachers, Education Assistants and support staff that cater to individual academic and pastoral care needs. As students reach secondary school, our curriculum is designed to prepare students for upper secondary schooling pathways. We are committed to achieving the best possible outcomes for all students at Waroona District High School and beyond.

We strive to not only achieve optimum academic results for every student, but also instil in them the necessary values, beliefs and skills to contribute effectively to the community. Our comprehensive educational program is supported by our School values that encourage students to be Considerate, Aspiring, Responsible, Engaged and Safe.

Our school is situated in a beautiful garden setting close to the town centre and adjacent to a modern recreation and aquatic centre. Although classified as a South Metropolitan School; Waroona District High School still has a wonderful country feel. Our wider community shares the school's high expectations for our students' education and for our school as a whole. We are supported by an active P&C, an elected School Council and value our long standing relationships with local business and industry.

Waroona District High School is proud to have run the Bush Ranger Cadets program since 2005. Bush Rangers is a nature conservation program for young Western Australians where students have the opportunity to take part in personal development training and actively participate in nature conservation projects specific to our local area. We are actively expanding our programs in STEM (Science, Technology, Engineering and Mathematics), Specialist Sports and the Arts. We offer an academic focus for those students that wish to pursue an ATAR and Tertiary pathway post Year 10 via a partnership with the University of Western Australia (UWA) ASPIRE Program.

It is my absolute pleasure to be Principal of Waroona District High School. I have lived in this region most of my life and was educated in the Murray region myself, along with my three siblings. We have all chosen to continue to reside in the Murray and wider Peel region. Consequently, I feel very connected and committed to this community and the provision of a high quality education for our students.

## 2. Assemblies

Whole school assemblies are held every Friday on the even weeks during the school term. These assemblies are an opportunity to celebrate student achievement and for classrooms to deliver performances such as songs or skits to parents and students. These also provide an opportunity for the Student Council to gain experience in public speaking.

Each primary classroom or high school subject teacher is asked to nominate two students for a Merit award for efforts at school during the past fortnight. If a child is going to receive a Merit award, parents are contacted by the front office and invited to the assembly to witness the presentation and to join their child for morning tea.

Waroona District High School also has three special assemblies during the year. An ANZAC Assembly is held late in Term 1. Late in Term 4 we hold a formal Presentation Assembly to award high achieving and hardworking students in Years 1-5 and Years 7-9. We also have a formal Graduation Assembly for our Year 6 and 10 students in the last week of the school year.

## 3. Attendance

Our school is committed to working in partnership with families to acknowledge students with excellent attendance, support improved attendance for students and provide intervention for students where attendance rates are not regular.

Evidence shows that where we work with families to improve and maintain attendance we are likely to have the greatest success. Intervening early where attendance has dropped below an acceptable standard is essential. Teachers engaging at the classroom level to provide a safe environment, engaging lessons and curriculum, as well as building positive relationships with students is critical.

## **5. Bicycles/Skateboards/Scooters**

An enclosed bicycle rack is provided next to the School Administration. These gates are locked between 9:15am and then reopened at the end of the day. Students will need to gain permission from the front office staff to access their bicycle during the day.

Students are to supply their own locking device to secure their bicycle and ensure their bicycle is secured to the metal frames provided and no loose items are left on the bike.

Although Waroona District High School will attempt to keep personal equipment safe, the school takes no responsibility for any loss or damage of personal equipment.

## **6. Camps and Excursions**

Camps are seen as a valuable educational experience which enhance the curriculum. From time to time teachers may choose to conduct a camp for their class. This may be all students in one-year level or parts of year levels where there are composite classes or the camp is special purpose across several classes. There is no guarantee every child will have the same camp opportunities as the decision to organise a camp always remains with individual class teachers.

Parental permission is required for all camps and excursions. Payment must be made before the student can attend.

When attending camps or excursions, students are expected to abide by the school rules and wear the formal uniform, where appropriate.

Generally, the Department of Education does not provide insurance cover for personal accident, loss or damage whilst attending a school activity. Cover may be provided for some overnight excursions however; parents/carers are advised to obtain their own personal accident insurance for their child.

## **7. Canteen**

The P&C run our canteen and has responsibility for its day to day operations.

The canteen dates will be published each term. Our canteen adheres to the State Government guidelines for school canteens and provides good quality meals at a reasonable cost.

The success of our canteen is dependent on the number of volunteers we can call in to help, so if you are able to support us, please contact our P&C president.

## **8. Cars – Student set-down and pick up**

Pick up and drop of parking for parents is available on Millar Street in lined parking bays and on the verge on Hill Street and Green Street. A carpark is available for parents/carers of Kindergarten and Pre-Primary students, entry to this carpark is via Green Street.

## **9. School Council**

The School Council consists of a group of elected community members as well as school representatives that assist in setting and monitoring the school's direction.

The School Council oversees the school's annual budget and ensures proper records are kept of the school's financial operation. The School Council also participates in the development and monitoring of the school strategic plan. Policy development and review is also a role of the School Council as they are involved in developing, reviewing and updating policies that reflect a school's values and support the school's broad direction outlined in its strategic plan.

## **10. Positive Behaviour Support Behaviour Matrix**

Our values set the expectations for our Behaviour System from K-10. Our fortnightly focus on one aspect of these values aims to encourage our students to incorporate these into the context of their daily practise. Our expected behaviour matrix is based directly on Positive Behaviour Support (PBS) principles.

## 24. Student Mobile Phones in Schools Policy

The Department of Education does not permit student use of mobile phones in public schools unless for medical or teacher directed educational purpose.

For the purposes of this policy, **'mobile phones' includes smart watches and associated listening accessories, such as, but not limited to, headphones and ear buds.**

It is important to note that it is NOT a requirement at Waroona District High School for students to have a mobile phone at school.

Waroona District High School recognises that an increasing number of parents/carers who for safety, security and/or emergency purposes wish to provide their children with mobile phones. This policy details the conditions under which mobile phones are permitted at Waroona District High School.

### Conditions of Use

- The use of mobile phones for all students will be banned from the time they arrive at school to the conclusion of the school day. This includes before school and at break times (off and away all day).

### Primary Students (Kindergarten to Year 6)

- Students in K-6 are not permitted to have mobile phones at school.
- If a student brings a mobile phone to school, the mobile phone must be switched off and taken to the administration office before the school day begins and collected at the end of the school day. Students will need to sign in and out their mobile phone at the administration office. Waroona District High School will securely store student mobile phones during the school day.

### Secondary Students (Year 7 to Year 10)

- Secondary students are permitted to have mobile phones in their possession during the school day, however mobile phones must be switched off and stored in student bags. They are to be neither seen nor heard.
- Parents and students can opt for secondary students to take student mobile phones to the administration office before the school day begins and collect the device at the end of the school day. Students will need to sign in and out their mobile phone at the administration office. Waroona District High School will securely store student mobile phones during the school day.

### Exemptions and Communication

- Exemptions to this ban include where a student requires a mobile phone:
  - to monitor a health condition as part of a school approved documented health care plan; or
  - or with permission of a teacher for a specified purpose while on a school based activity.
- Smart watches must be in 'aeroplane mode' so phone calls and messages cannot be sent or received during the school day.
- While at Waroona District High School, students are the responsibility of the school. All communication between parents and students, during school hours, should occur via the school's administration.
- Waroona District High School has duty of care for all students when they are attending the school. In emergencies, where students need to get in contact with parents/carers, students are to notify the appropriate school staff. If parents/carers need to contact their children, they are asked to contact the school directly.

### Breaches of this Policy

- Breaches of this policy will be managed in accordance with the Waroona District High School Behaviour Management Policy and Procedures.
- Students who do not comply with this policy will have their mobile phone confiscated and held at administration. The student can collect the mobile phone at the end of the school day.
- In the case of repeated inappropriate mobile phone use by a student, their mobile phone will be confiscated and held at the administration. The parent/carer will be informed and requested to collect the mobile phone from the school at their earliest convenience.
- Further disciplinary action, in accordance with Waroona District High School student behaviour policy and procedures may be a result of repeated breaches and or depending on the circumstances of the breach.

## 25. Chaplaincy Support

At Waroona District High School we follow a philosophy of providing pastoral care for our students as part of our aim in achieving academic excellence. Working with our Student Services Team, chaplaincy is an important part of our strategy. Our School Chaplaincy Service is provided through YouthCARE.

YouthCARE chaplains provide holistic pastoral care to students, school staff and members of the community, irrespective of their faith or cultural backgrounds. The pastoral care provided has a broad scope and includes one on one and programmed group sessions addressing physical and mental health issues, social and values education, behaviour management, emotional support and professional referrals among many other out workings.

Although the school strongly supports our chaplain, we understand that you, the parent, may have objections to your child/children interacting with or accessing the services of the chaplain. If you do object, please return the completed form below to school reception and we will ensure your child/children only access help through other avenues of our student services team.

**YouthCARE Chaplaincy is an 'Opt-Out' programme**, and thus if we do not hear from you and receive a completed Opt-Out form, the assumption is that you give permission for your child to access chaplaincy services if needed.

## 26. Information Technology Agreement and Conditions of Use

Our school provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Western Australian Curriculum.

We require approval for your child to be given access to these online services.

The Department's online services currently provide students with access to:

- individual email and calendar accounts;
- the internet, with all reasonable care taken by central office and schools to monitor and control students' access to websites while at school;
- online teaching and learning services such as Connect, web-conferencing and digital resources;
- online file storage and sharing services; and
- these online services at locations other than school.

If you agree to your child using these online services, please sign the Acceptable Use Agreement form and complete the permission slip attached to this letter. Please explain the content of the Acceptable Use Agreement to your child before the permission slip is signed.

Both forms should be returned to school so that an online services account can be created for your child.

Please note that while every reasonable effort is made by schools and the Department to prevent student exposure to inappropriate online content when using Department provided online services, it is not possible to completely eliminate the risk of such exposure.

You should be aware that the Department has the right to review, audit, intercept, access and disclose messages created, received or sent over Department online services. Logs of email transactions and internet access data are kept for administrative, legal and security purposes and may be monitored. Similar to other corporate records, emails and internet access records are discoverable in the event of legal action and are subject to provisions of the Freedom of Information Act 1992. ([www.foi.wa.gov.au](http://www.foi.wa.gov.au))

You should also be aware that general internet browsing not conducted via the Department's network is not monitored or filtered by the Department. The Department encourages close family supervision of all internet use by children in locations other than school, and strongly recommends the use of appropriate internet filtering software.

Advice on managing internet use at home can found on the Office of the E-Safety Commissioner website ([www.esafety.gov.au/iparent](http://www.esafety.gov.au/iparent)).

## 27. Frequently Asked Questions

### What do I do if my child needs to leave before the end of the school day?

If you are coming to collect your child prior to the end of the school day, you should come into the school administration office and sign your child out. **Only legal parent/carers or their nominated emergency contact** can collect a student from school premises.

### What happens when my child becomes ill/sick at school?

If your child is unwell, a phone call will be made to the parent/carer to come and collect the sick child. The child must be signed out by the parent/carer prior to leaving school. Arrangements can be made for a third party to collect your child with your permission.

### Can anyone collect my child from school?

Generally, the answer is NO. Only the legal parent/carer and the named emergency contact on the original enrolment form may pick up the child from school. Any change in these arrangements must be in writing from the parent. In cases of an emergency, telephonic arrangements can be made.

### Where does my child go if they are late to school?

If a student arrives after school commences, they will need to enter the school via the school administration office to sign in and then they should go straight to class. **Where possible, a note should be provided from the parent/carer stating the reason for lateness.** All students should endeavour to arrive at school at least 5 minutes before the first bell.

### What do I do if my child is absent from school?

If your child is absent, **you are required by law to supply a reasonable explanation** for that absence (please understand that taking the day off because it is the student's birthday is not considered a reasonable explanation). A phone call to the school on the day, or an SMS to our absentee line 0417 932 820 for absences is sufficient, otherwise a note on return to school explaining the absence. Parents are advised of absences twice a day through our SMS system. A Medical Certificate is required after **3** consecutive days absent.

### What do I do if my child is being bullied or teased at school?

Please encourage your child to tell their teacher or our Student Services team. The school cannot help your child if we don't know about it.

### Can I take my child's lunch to their class?

For the safety and security of our students, parents/carers are requested not to visit students at their classrooms, but are required to come to the school administration office and leave lunches at our school administration office. Students are to collect lunches from the office during the recess or lunch break.

### Can my child go on to school grounds after school hours?

We remind you that it is an offence to enter school grounds before and after school, including weekends and holidays.
